About the Carshalton Athletic Football Academy

The Carshalton Athletic Football Academy is a full-time two-year sixth form (Years 12 & 13) programme. The programme delivers a football development programme and a BTEC Level 3 Diploma.

Our Mission at Carshalton Athletic Football Academy is to provide every student with the highest standard of football development, education, mentorship, and personal development, giving them access to a wide range of future pathways and empowering them to succeed in whichever they choose.

We give every student the individual attention they deserve both on and off the pitch.

100% Pass Rate – All students completing the two most recent academic programmes, (completing in July 2021, 2022 and 2023), passed their Level 3 BTEC diploma.

100% University success rate – Every Student that applied to university was offered a university place, 90% at their first-choice university, some in sports-related degrees, others in non-sport related degrees.

High Technology Resources – Every Student is given a modern laptop computer and Google classroom account, a suite of software and benefits from stadium-wide high-speed internet.

Education Resources – We have modern Education Facilities including air-conditioned classrooms.

Football Tour Opportunities – Students have the chance to go on a football tour to play matches and gain valuable skills in their preparation for adulthood.

Feeding the body and brain – The academy's facilities include a fully equipped kitchen and full-time catering staff. Every student can choose a daily healthy breakfast and lunch.

Not School Children – We treat students as young adults and afford them the same level of respect that we expect them to show to others.

Inclusive - The Carshalton Academy is a non traditional education setting for mainstream and students with educational needs and EHCP's to gain meaningful qualifications in a supportive environment

Exclusive - The Education programme is integrated within the main club. Only the students registered with us participate in Academy Football matches.

Football Opportunity – Players will have the best opportunity for both semi-professional and fulltime professional football. Please read about our direct football development pathway to learn more.

Football Resources – Students receive high quality training from UEFA pro-licence and UEFA A-licence coaches. Training is delivered in the main stadium 3G pitch.

Non-playing careers – As well as football playing career opportunities, students can also target non-playing careers in sport such as coaching, management, club marketing, administration and Media. The Level 3 BTEC is equivalent to two A Levels and will provide admission to higher education, apprenticeship, university, and a wide range of careers.

The Academic Programme

The Level 3 BTEC National Diploma in Coaching and Development

Our two-year academic programme delivers the Level 3 National Diploma in Coaching and Development or the Level 3 National Extended Diploma in Coaching and Development, which are equivalent to two or three A-Levels respectively. Both are highly respected and make big demands of students in terms of workload without the need for exams.

Students will need to be motivated and apply themselves consistently to pass. Nationals are widely recognised by industry and higher education as the signature vocational qualification at Level 3. They provide progression to the workplace either directly or via study at a higher level. BTEC's embody a fundamentally learner-centred approach to the curriculum, with a flexible, unit-based structure and knowledge applied in project-based assessments. They focus on the holistic development of the practical, interpersonal and thinking skills required to be able to succeed in employment and higher education. Today's BTEC Nationals are demanding, as you would expect of the most respected applied learning qualification in the UK. You will have to complete a range of units, be organised, take some assessments that we will set and mark, and keep a portfolio of your assignments. But you can feel proud to achieve a BTEC because, whatever your plans in life – whether you decide to study further, go on to work or an apprenticeship, or set up your own business – your BTEC National will be your passport to success in the next stage of your life.

Some of the units covered within the Level 3 Diploma are:

- **Careers in Sport & Active Leisure**
- **Rules, Regulations & Officiating**
- **Health, Wellbeing and Sport**
- **Applied Coaching Skills**

Value-added Holistic Learning

To prepare for future careers, students are given a holistic education that includes practical vocational skills, communication strategies, and leadership development. Our Club and Academy management have extensive experience in both the football and commercial world – we work with every student to share that experience and help each one to learn the skills and techniques to succeed both on and off the pitch.

Through our extensive network, we have regular guest speakers and workshops for our students, including University and Career Pathway Speakers, Football Scouts, First Aid Courses, Coaching Badges and many more.

Outcomes Matter

Our measure of success is the outcome of a student's time at the Academy. This means that our care and support does not end with the delivery of the programme, but we work closely with each student to help map out pathways for their career on and off the pitch.

Helping students develop healthy relationships with technology

The next decade will see an even greater use of technology than the last. Every part of our life will see an ever-increasing impact from computers, AI and the internet. Our classrooms, teaching methodology and practices work in harmony with developing technologies and aim to provide platforms for our students to gain expertise, confidence and hands-on experience. Lessons are delivered through high-technology digital platforms allowing students to become familiar with online tools and services that will help them in all aspects of their personal life and career. The entire stadium has industrial-grade broadband Wi-Fi and the classrooms have large LED screens for programme delivery and presentations.

Our students are safe, confident explorers of the digital world

Over the two-year programme, students will become both familiar and very competent in using digital resources and this will benefit them in almost every aspect of their future.

Work Anywhere, Anytime!

Students are provided with laptop computers linked to a wide portfolio of software and online resources through the Google Classroom platform. Each pupil is given their own personal login that can be used on any device; at any time, therefore students can carry out academic work at home, or anywhere, on any windows, apple or android, PC, laptop, tablet or phone. All that is needed is a Google browser and an internet connection!

The Football Programme

Every student who joins our Academy dreams of a career on the football pitch. It is our ambition to support all our students to reach their potential and help them play at the highest level possible according to their ability and mindset.

Academy - First Team - Professional Football

Of course, there are a few players who come through our Academy who enjoy professional football careers, the most recent of which was Mickel Miller who went directly from our Academy into our First Team and then onto a full time, professional career in the Scottish Premiership. Others find their football career in non-league alongside a traditional career.

Every Player gets their Chance

As a club, Carshalton Athletic is renowned for its “youth-player” policy. Our team structure and fluid selection policy gives every player the chance to progress at a speed they are comfortable with, and they can be sure to get their chance at the highest level possible.

CORE BRITISH VALUES

I recognise that it is **unacceptable** to dismiss the **beliefs** and **opinions** of anyone.

I understand that discussions about **sensitive issues** will be **controlled** and **structured**

I recognise that I am as **equally responsible** for my learning as the teacher.

I take **responsibility** for all my **actions** - good or bad

We all have a **responsibility** to **promote** and **protect** the wellbeing of others

I understand that the school **rules** are used to mirror **society laws** and must be respected.

I recognise that there will be **consequences** for **my actions**

I can **influence** the way school runs through the school **council team** and by **talking to staff**

I can **influence my lessons** through putting my hand up and **responding**

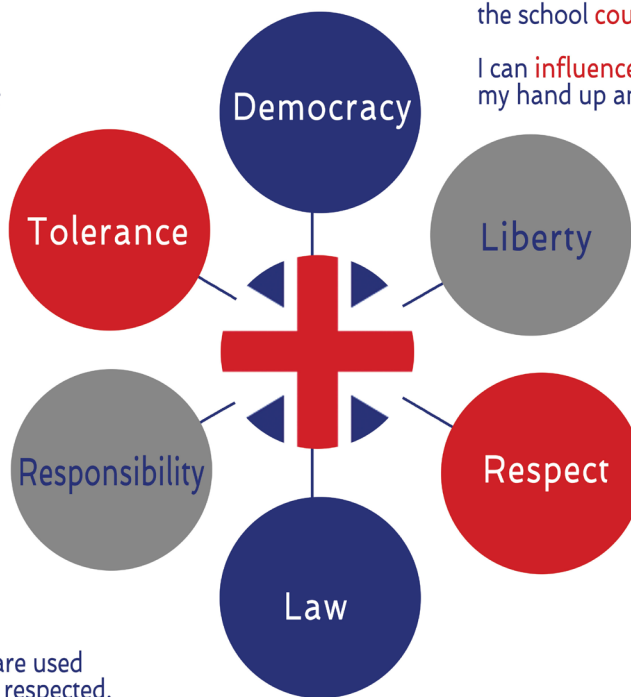

I am **free to think** as I see fit.

I have the freedom **to make choices** that affect me but I **recognise** I am **accountable** for all **my actions**

I recognise that **everyone is entitled** to their opinion as long as it **does not promote extremism**.

I understand that everyone is **entitled to a voice** within the classroom

I will **listen to others** as I would like to be listened to.

SOCIAL - MORAL - SPIRITUAL - CULTURAL

Academy values

Equality

At Carshalton Athletic we don't see colour, race, gender or religious beliefs. We see our brothers and sisters. The club's culture is one that welcomes and celebrates our different beliefs, backgrounds, upbringing and personalities.

Understanding and Tolerance

We understand that a person's nature is shaped by their upbringing, their culture and environments. Every person's being is painted by the experiences in their life and it is not always easy to appreciate their perspective. For these reasons we promote understanding and tolerance to others.

Respect

At Carshalton Athletic we believe that showing respect to others is a fundamental human obligation. Lack of respect is the first step on the ladder of conflict. We show the same respect to our students as we expect them to show to everyone else, including match officials, opposition teams and even people who do not show us respect.

Kindness

Showing kindness to others is a life skill, it follows on naturally after showing respect. Kindness is rewarded by a sense of inner wellbeing as well as often being reciprocated kindness by others. Those who can master the skill of being kind to others will be happier and more successful in themselves.

CAFC Academy Partners

We work in collaboration and true partnership with other key organisations to provide greater opportunities and support for young people. We are able to give them more opportunities to gain qualifications and skills they will need to make positive life choices and be successful in the future through these partnerships.

Player Path connects talented soccer players, with US college soccer coaches. A UK-based US college soccer recruiting agency with a 100% success rate in getting players accepted onto soccer scholarships in America.

JACE Training are our training provider who receive funding for our study programme from the ESFA. They also support our learners with additional CPD sessions and work opportunities as well as apprenticeships after they have completed the study programme.

SLT Tours Provide Schools, Sports & Football Club groups with unforgettable experiences! We work together with a trusted, accredited travel company with a proven track record to offer a Football Tour to students.

Wider Curriculum

- Life Skills
- Coaching & Referee Badges
- Safeguarding Certificates
- First Aid Qualifications
- Financial Matters courses
- CV & Interview Support
- UCAS Support
- Wellbeing
- Online Safety
- Healthy Relationship courses

Joining the Academy

Every year our programme intakes between 25-35 students, most join us directly following their GCSE exams.

To be admitted into the Academy, applicants will need to meet the following criteria:

An academic track record that demonstrates sufficient performance to fulfil either a National or Extended Level 3 BTEC Diploma

AND

A Football ability that is likely to achieve either a good semi-professional career or a professional career

AND

An ambition for an off-the-pitch career in sports

Applicants can apply in year 10 or year 11 to join in year 12

Applicants must be over 16 and under 18 on the 31st August on the year of joining.
